- This Rate Card is not the complete North American Title Insurance Company (NATIC) Residential & Commercial Rate Manual, State of Michigan (Rate Manual). To see a complete copy of the Rate Manual, please visit our website, www.natic.com to access QuoteLink, our on-line title insurance premium calculator, or download a complete copy from UnderwriterLink.
- The specified title insurance premiums include ordinary charges for a title and tax search for one chain of title, examination of that title, one title commitment and the title insurance policy.
- The specified title insurance premiums do not include any charges for escrow, settlement or closing services, or other special services not associated with the assumption of risk whether performed by NATIC, or any of its policy-issuing agents. Charges made for these other services are in addition to the title insurance premium rates set forth in the Rate Manual.
- Not all coverages are available in a particular area or transaction due to legal, regulatory, or underwriting considerations. The insuring provisions of the title insurance policy and the express coverages set forth therein are also subject to exceptions, exclusions, and conditions to coverage that limit or narrow the coverage afforded by any title insurance policy.

The most accurate information on NATIC title premium rates is only available from the Rate Manual itself. NATIC provides this excerpted information as a professional courtesy and assumes no responsibility for any errors or omissions.
